FOR IMMEDIATE RELEASE

GBCR&P Volunteers for Workday at Habitat for Humanity

The employees of Goldstein, Buckley, Cechman, Rice & Purtz spent Saturday, March 7th painting the exterior of a house and hanging dry wall on a jobsite for a home built by [Habitat for Humanity® Lee and Hendry Counties](#) in Bonita Springs.

The Mission of [Habitat for Humanity®](#) is to put God's love into action by bringing people together to build homes, communities and hope. This is done through the use of volunteer labor and donations of money and materials.

“At GBCR&P we take pride in being your attorneys and your neighbors. Our firm has a long history of public service and Habitat is just another example of how we like to give back to our community,” said Partner Christopher Smith. “Our attorneys and employees work hard for our clients throughout the week and we are happy to share our time on the weekends to help our community. Our community has given us their trust and business for over 50 years and we are pleased to be able to return the service.”

If you are interested in attending a future Habitat for Humanity® event with GBCR&P employees, visit our website at www.JusticeStartsNow.com or contact us at 239-334-1146 and let us know you are interested.
